Custom Metallized & Translucent Holographic Foil Artwork Requirements

- Artwork must be approved before order is accepted
- **File Format:** All fonts should be converted to curves and outlines. Save files in original uncompressed file format along with an .eps file with fonts changed to curves.
- **Preprinted Cards:** For best color matching use CMYK color palette—sample colors are matched as closely as possible. Contact us for pricing on PMS colors.
- **Cards with Visual Security Elements:** Text files are required for micro text element.

Custom Metallized and Translucent Holographic Foil Order Terms

- All associated fees must be pre-paid in full before custom blank cards can be produced. Once the custom card design has been created, the customer owns it. As a result, it cannot be returned or resold by ID Zone.
- No origination fees will be refunded under any circumstances after the specification sheet and signed and submitted.
- Subsequent card production issuance fee is \$100.

Other Information

- Minimum Orders: 1,000 cards (2 boxes)
- Both Metallized and Translucent Holographic Foils cannot be used on a single card.
- All visual security features appear on the front of the card only.
